Experience

BBVA Compass Bank

Web Designer/Front-End Developer

November 2011 – November 2015

Part of a small team that worked on, and maintained the bbvacompass.com website. Designed and built site sections, landing pages, emails, banner ads, mobile pages and conversion to re-responsive design. HTML 5, CSS, JavaScript, Bootstrap Framework, Photoshop, Illustrator, InDesign, SDL Tridion CMS and Expression Engine.

Self-Employed

Freelance Web Designer/Front-End Developer

February 2010 – March 2012

Contractor and consultant front-end developer/designer. Clients include BBVA Compass, NXTM, WoodStudio, Soca Clothing, Embassy Skateboards, Intermark Group, Luckie, Lawler Ballard Van Durand, Hare Advertising, Barker Advertising, Mohawk, CosmetAssure, USATF, and Bullock Environmental. HTML 5, CSS, JavaScript, Flash, ActionScript, WordPress, Photoshop, Illustrator, and InDesign.

FitzMartin, Inc.

Web Developer/Designer

January 2008 – February 2010

Built, maintained, and updated fitzmartin.com. Designed and developed websites, landing pages, emails, and banner ads for BBVA Compass, Birmingham Southern College, Montevallo University, Samford University, Burr & Forman, and Big Oak Ranch. HTML, CSS, JavaScript, Flash, ActionScript, WordPress, Joomla, Photoshop, Illustrator, and InDesign.

Intermark Group, Inc.

Associate Interactive Designer

March 2006 – January 2008

Designed and developed websites, emails, banner ads, and updated the Intermark agency site. Clients include Southeastern and Gulf States Toyota, BBVA Compass, Bromburg's Jewelers, and Arlington Partners. HTML, CSS, JavaScript, Flash, ActionScript, WordPress, Joomla, Photoshop, Illustrator, and InDesign.

TransWorld Media

Freelance Writer

September 1999 – November 2002

Monthly column in TransWorld skateboard magazine, called webslinging, reviewing skateboard related websites. Compiled information and conducted interviews, wrote music reviews and brainstormed concepts for Warp and Stance magazines.
